

Camp Volunteer Help

Because Scouting is a volunteer based organization, we try to keep the fees for participation at the lowest possible level. In this way we can maximize the program offerings to the most people. This allows people of all financial levels to take part in this program.

Because of this type of program and philosophy, it is necessary to operate the programs and facility improvements by utilizing volunteers as much as possible. We could not keep these programs and facilities up to standard without the volunteer.

If you have any special talents, skills or just a desire to help keep your Scout Camp and its programs going, please complete the bottom portion of this sheet and turn it in to a Camp Staff Member prior to your departure.

We appreciate any and all help that you can offer. We hope that your day at Camp Rotary or Paul Bunyan Scout Reservation is all you had hoped it would be and perhaps a little more.

Name _____

Address _____

City _____ State _____, ZIP _____

Day Phone # _____

Evening Phone # _____

I am willing to assist with a program feature: _____

I am willing to assist with a maintenance feature: _____

The Special talent or interest that you want to share is as follows;

Thanks for attending camp!!!!
