Notes:

- ¹ Eagle Required merit badge. Note - eagle required badges include (swimming or hiking or cycling), and (environmental science or sustainability), and (emergency preparedness or lifesaving).
- ² To look up the specific tasks associated with a prerequisite, go to http://meritbadge.org/wiki/index.php/Merit_Badges, scroll down to the merit badge in question, click on it, and you will be taken to a list of requirements.
- ³ Place an X in the time slot you wish to take the merit badge above. For example, if you want a merit badge offered at 1:30-2:30 or 2:30-3:30, place an X in one of those two columns for that badge - not both. You should not have more than one X in any time slot column. However if a merit badge says "double slot", put an X in both time slots for that badge. You can enter 2nd choices below if you like (recommended).
